

Present  
**Cyber Intrusions**

2 CPE credits available

**Friday, April 20, 2012**

[www.deinfragard.org](http://www.deinfragard.org)

Have you ever wondered what would happen if your company experienced a computer intrusion? Do you have a plan in place? Do you know who you would call and why? Do you know the difference between a criminal investigation and a civil law suit? The topic for this meeting will be investigating Cyber intrusions - what to expect if you are a victim, the role of investigators, forensic examiners, prosecutors and/or civil attorneys.

**Date:** Friday, April 20, 2012

**Time:** 8:30 AM to Noon

**Location:** Delmarva Conference Center, 4100 South Wakefield Dr., Newark, DE 19702

**Planned Agenda:**

8:30 – 9:00 am Check In and Networking (Light refreshments will be served)

9:00 – 9:30 am Opening Remarks:

9:30 – 11:00 am **“Law and Order – Anatomy of a Computer Crime”**. Panelists will describe their role in a computer crime investigation and a Moderator will take them through the basic, true-to-life intrusion case. There will be time for questions.

- Moderator – Delaware InfraGard President
- FBI Special Agent, Cyber Division
- FBI Information Technology Specialist. Forensic Examiner – Computer Analysis Response Team
- Assistant United States Attorney – District of Delaware

11:00 – 11:45 am **“A Comparison between Criminal and Civil Proceedings”**

11:45 – 12:00 pm Q&A

**Registration:** Please go to <http://register.deinfragard.com/> to register for this event. You must be registered to attend.
