

State of Delaware
800 MHz Next Generation Meeting Minutes
February 18, 2010

Attendees:

| | |
|------------------------|--------------------------|
| Baker, Bryant-DTI | Oettel, William-DOC |
| Carrow, William-DSP | Pepper, Terry-DSHS |
| Cabbage, Jim-DVFA | Seifert, Sharon-DTI |
| Donaldson, Gene-DeIDOT | Sexton, T.-Public Health |
| Grubb, Mark-DivComm | Sipple, Kevin-Kent 911 |
| McDaniel, Chip-DNREC | Streets, Bill-NCC |
| Moran, Julie-DTI | |

Project Status:

- Contingency: 0.5 M
 - The change order from RCC will spend the balance of the contingency fund. Bryant is negotiating to try to bring the cost down.
- 8TAC Simulcast work on hold
 - More info/testing is needed before the users can decide to move forward.
- In-Building Coverage Treatment
 - Bryant Baker and Julie Moran will continue to escalate the request of coverage for the William Penn High School directly to the Superintendent of Colonial School District. William Penn houses the shelter for the Red Cross.
 - Bill Streets will check and see if he has a contact at the U.S. Post office.

The next meeting of the 800 MHz Next Generation Committee will be held on Tuesday, March 16, at KENTCOM at 2 pm.
