Goals:

- **University of Delaware Letter, Review and Approval**
- **Status of Project/Sites**

Outcomes/Results:

- **Committee reviewed the Draft Letter**
 - Submitted editing suggestions
 - Add the names of those U of D employees that the committee had been working with
 - Listed those to receive copies of the letter
 - Governor's Letterhead
 - Postpone sending letter till next meeting when more information may be available concerning feasibility of bypassing U of D
- **Action Item – Terry Pepper will contact Mark Brainard to determine who should sign the letter**
- **Action Item – Bryant Baker will finalize draft for approval at the next meeting**
- **Status of Project/Sites.**
 - Joe Thomas stated that the new building in Sussex may be ready in March. He will research and have additional information for Bryant at the next meeting.
 - Joe Wessels asked if the timing was slipping for Rebanding. Bob Pedersen said he believed it was slipping, and it should fit better with the timing of our project. That will be determined as Rebanding progresses.

**The Next Meeting will be held on Thursday, July 13, 2006, Tatnall Building, Room 112,
2:00 p.m.**
