

## **The Cyber Security Awareness Campaign 2012 – School Outreach Program**

We are pleased to announce that registration for the Fall 2012 Cyber Safety 4<sup>th</sup> grade school presentations is now open! They can be scheduled for the months of **October, November, or December.**

This is an interactive presentation, hosted at your school, on safe computing for kids. Our presentation is fun and fast-paced, using videos, games, and interaction with students. Topics covered include: Cyber Citizenship, Cyber Bullying, Cyber Security, and/or Personal Safety. We bring this free program to your school, either in multi-class or single class format.

To **register** for a presentation at your school, or for additional information, please contact Beth Emerson at [Elizabeth.Emerson@state.de.us](mailto:Elizabeth.Emerson@state.de.us), or call 739-9640.
